### "GAP" COVERAGE

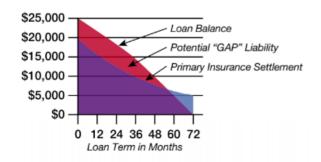

# In the Event of a Total Loss or Stolen Vehicle...

Your Insurance Settlement May Leave You With a Monetary "GAP"!

Even the most comprehensive insurance coverage can leave you with potentially significant expenses in the event your vehicle is deemed a total loss.

Insurance coverage will typically pay out the vehicle's actual cash value instead of the amount of your loan. This can leave you with the liability of thousands of dollars remaining on a loan for a vehicle that you can no longer drive.

Guaranteed Asset Protection (GAP) by CornerStone Auto will waive or cancel the remaining balance of your loan once your insurance company has made their payment, providing you financial protection in the event of a total loss.

### WHAT IS THE "GAP"?

\$4,000
\$20,000
ed \$17,000
