The
CORNERSTONE
Advantage

"GAP" Coverage

In the event of a total loss or stolen unit, your insurance settlement may leave you with a monetary "GAP"!

Even the most comprehensive insurance coverage can leave you with potentially significant expenses in the event your powersports unit is deemed a total loss.

Insurance coverage will typically pay out the unit's actual cash value instead of the amount of your loan. This can leave you with the liability of thousands of dollars remaining on your loan for a unit that you can no longer enjoy.

Guaranteed Asset Protection (GAP) by CornerStone Powersports will waive or cancel the remaining balance of your loan once your insurance company has made their payment, providing you financial protection in the event of a total loss.
