

Enhance Your Fun!

In addition to our comprehensive coverage, which provides protection for virtually every mechanical and electronic component installed by the manufacturer, our program offers additional options for those who enjoy customizing their units:

Powertrain Performance Modifications

Provides coverage when performance parts are installed including tuners/chips, PVT/CVT drive clutches, drive axles, trike-kits, internal engine components, fuel management systems, exhaust header, aftermarket turbo/supercharger, intake manifold or throttle bodies.

Suspension/Tire Modifications

Provides coverage when the covered unit is lifted up to 10" and/or has tires installed up to 36" in diameter and when aftermarket suspension control arms, springs, shocks or extended swing arms are installed.

Electronic Accessories Package

Provides coverage for Bluetooth transmitters and receivers, GPS navigation systems, cameras, display monitors, communication devices, accent lights, lightbars, electric winches, electric coolers, spotlights and radio/stereo systems.

Snow Plow

Provides coverage for units equipped with a snow plow or snow plow attachments.

Commercial Usage

Provides coverage for units used for non-personal use such as rental, shuttle, military, fire, police, route work or any "for hire" business.

Additional Benefits

- Rental Reimbursement
- Dealer Pick-up Reimbursement
- Emergency Roadside Assistance
(on-road units only)

Information provided in this brochure is intended to provide only a brief description of program benefits. Please refer to the applicable contract for specific terms, conditions, limits of liability and exclusions. For costs and complete details, please see your dealer representative.

Powersports Coverage

Enjoy never-ending, worry-free
FUN with your favorite
adventure toys

The
CORNERSTONE
Advantage

Service Agreement Coverage

Provides protection against costly breakdowns due to mechanical and electrical failures to virtually all powersport unit components. Coverage is so comprehensive that, unless the part is in a short list of exclusions, it is covered.

Exclusions

- Maintenance items (i.e. tune-ups, air filters, brake pad, rotors, wiper blades, belts, hoses)
- Manual/hydraulic clutches
- Trim, molding, paint, upholstery, glass
- Tires, wheels and rims
- Breakdowns caused by contaminants, foreign objects, improper use, lack of fluids and/or required maintenance

Examples of Covered Components

Engine intake and exhaust manifold, constant velocity joints and axle shafts, primary and secondary drive systems, factory gauges/instrumentations, control arms and bushings, fork tubes and seals, all internally lubricated components of the engine, sensors, fuel injectors, steering tie rods, jet drive assembly, brake master cylinder, voltage regulator, all internally lubricated components of the differential, anti-lock braking system, engine wiring harness, powertrain control module, cooling fan motor, fuel pump, steering stem, wheel bearings and hub assembly, water pump, oil injection system, heat exchanger, alternator, switches, ball joints, all internally lubricated components of the transmission/gearbox, radiator, starter assembly, drive shaft and universal joints, steering gate and valves, seals/gaskets...PLUS 100s MORE!

Please refer to applicable service contract for a complete list of terms, conditions, limits of liability and exclusions.

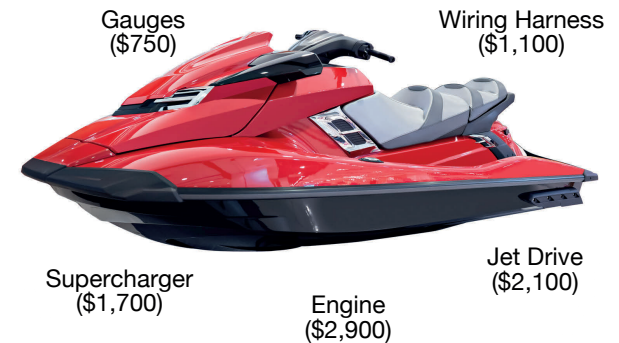

Don't Let Unexpected Repair Costs Ruin Your Fun!

Example Repair Costs

Motorcycle

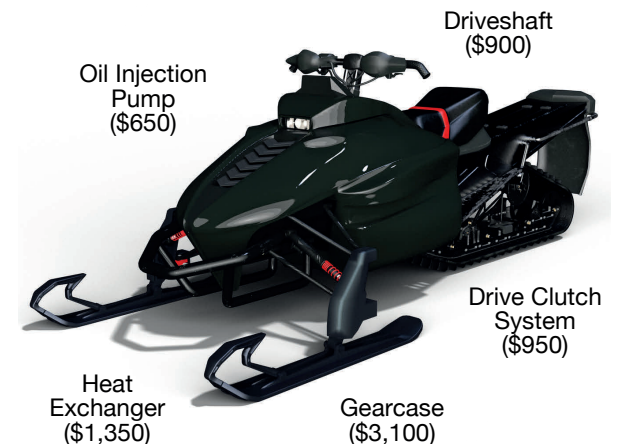

Personal Watercraft

UTV/ATV

Snowmobile

Example repair costs are based on CornerStone claims experience.
